### THE ADVANTAGES

## CEMENT ROOFING

POSSESSES OVER TIN, IRON AND STEEL ROOFING

IT CANNOT RUST

Gases, fumes, moisture, coal soot and smoke cannot injure or affect CEMENT ROOFING. It is better adapted for application over uneven surfaces, such as old shingles or metal roofs, obviating the expense of removing the same. It will not rattle from wind and storm, nor create any noise from rain falling upon it. The materials used in cement roofing are the best conductors of heat and cold known; therefore it will keep the building warmer in winter and cooler in summer than a metal roof. ## WALL STREET CONTROL

**BRYAN ISSUE LETTERS  
SETTING FORTH HIS VIEWS**

**SAYS HE WILL VOTE FOR PARKER AND DAVIS BUT CLAIMS PARKER IS NOT SOUND PRINCIPLED.**

Lincoln, Neb., July 12.—William J. Bryan today gave out the following statement:

"I shall vote for Parker and Davis, the nominees of the Democratic National Convention, and shall do so for the following reasons:

"First—Because the Democratic ticket stands for opposition to imperialism, while the Republican ticket stands for an imperialistic policy. On this question, which was the paramount issue in 1900 and which must remain an important issue so long as an attempt is made to hold colonies under the American flag—on this issue the convention was unanimous, the platform emphatic, and I have no doubt that the candidate will carry out the platform.

"Second—Mr. Roosevelt is injecting the race issue into American politics, and this issue if it becomes national will make it impossible to consider questions that demand solution. The election of the Democratic ticket will put a quietus on this subject.

"Third—Mr. Roosevelt stands for the spirit of war. His friends present him as a man of blood and iron. He believes in strenuousness and inculcates a love for warlike things. The Democratic ticket stands for peace, for reason and for arbitration rather than for force, conquest and bluster.

"Fourth—The Democratic platform declares in favor of the reduction of the standing army, and as this plank was unanimously adopted there is reason to believe that a Democratic statement on this subject would bring some advantage to the people.

**Wall Street in Control.**

"For these reasons I feel justified in supporting the ticket. A Democratic victory will mean very little if any progress on economic questions so long as the party is under control of the Wall street element. On the money question Mr. Parker is as thoroughly committed to the side of the financier as Mr. Roosevelt. If he does not go as far as the Republicans with their silver dollars, in establishing branch banks, in enlarging the powers of the national banks and in the substitution of an asset currency for the present currency it will be because he is restrained by the Democrats in the House and Senate. Nothing greater can be expected from him on the money question.

"On the trust question the Democratic platform is very much better than the Republican platform, but the nomination of Judge Parker virtually nullifies the anti-trust plank. Unless in his letter of acceptance he commits himself to anti-trust legislation we need not expect him to pursue a different course from that pursued by President Roosevelt.

"So far as the labor questions are concerned, we must await Judge Parker's letter before we shall know whether the laboring man has anything to expect from his election. The labor plank as prepared by Judge Parker's friends on the sub-committee was a straddling, meaningless plank. In the full committee planks were adopted in favor of arbitration and the eight-hour day and against government by injunction; also a plank on the Colorado situation. If Judge Parker is silent or ambiguous on these subjects it will mean that the men back of him will not permit him to take the labor side on these disputed questions.

"On the tariff question some little progress may be hoped for. But the Parker men on the committee were nearly all in favor of a very conservative plank, and it remains to be seen whether Judge Parker will carry out the definite plank which was substituted by the full committee.

**Attempt to Deceive Party.**

"Judge Parker stands for enough things that are good to justify me in giving him my vote, but as I have tried to point out for several months, the triumph of the Wall street element of the party denies to the country any hope of relief on economic questions. I have nothing to take back, I have nothing to withdraw, of things that I have said against the methods pursued to advance his candidacy. It was a plain and deliberate attempt to deceive the party. The New York platform was vague and meaningless and purposely so, because the advocates of Judge Parker were trying to secure votes from among the people who would have opposed his views had they known them. If he had sent to the Albany Convention the telegram that he sent to the St. Louis Convention he would have had very few instructed delegates from the South and no possible chance for the nomination. But he and his managers adroitly and purposely concealed his position until the delegates had been corralled. Then his friends attempted to secure a gold plank, which was overwhelmingly defeated in the committee.

"After the party had rejoiced over the harmony secured by the omission of the question, and after he had secured the nomination, he injected his views on the subject at a time when he could not be taken from the ticket without demoralization. The nomination was secured, therefore, by crooked and indefensible methods; but the

Democrat who loves his country has to make his decisions upon conditions as he finds them, not upon conditions as he would like to have them.

**To Keep up the Fight.**

"After having stated that I shall support the ticket and after having given my reasons for so doing, I think it due to the Democrats of the Nation to say that, while the fight on economic questions is postponed, it is not abandoned. As soon as the election is over I shall, with the help of those who believe as I do, undertake to organize before the campaign of 1908, the object being to marshal the friends of popular government within the Democratic party to the support of a radical and progressive policy to make the Democratic party an efficient means in the hands of the people for securing relief from the element that controls the Republican party and for the time being is in control of the Democratic party."

## Parker Managers To Repudiate W. J. Bryan

Chicago, July 13.—With the return to Chicago of the new Democratic National Committeeman comes the first intimation that William J. Bryan's help is not desired in the coming campaign, and that steps will be taken to keep the former candidate off the stump. In the first place, it is likely that the "grand ratification round-up for the Middle West," which is being planned by Mayor Harrison, will be vetoed by the Parker managers. At least, it will be stipulated that Bryan shall not be one of the speakers.

From party leaders it is learned that Bryan's statement, given out at Lincoln, Neb., has convinced the Parker managers that the former leader would do more harm than good to the ticket if permitted to take the stump. His utterances in the interview are all more antagonistic than favorable to the candidate, whose nomination, he says, was secured by "crooked and indefensible methods."

"It is evident," said one of the leaders, "that Bryan intends to stay in the party and knife the candidate. He proposes to even up scores with the gold Democrats who went out of the party in 1896, and by their bolt accomplished his defeat. Now he declines to bolt, because he knows he can knife the ticket more effectively by staying inside the party lines, and the only thing that is left for the Parker managers to do is to repudiate Bryan openly and officially, and in my opinion that is what they will do."

### FAST SET IN PRIZE RING.

Philadelphia, July 1.—In one of the bloodiest fights in or out of a prize ring, Charles Willing, a member of a leading family in Philadelphia, and who is a cousin of Mrs. John J. Astor, the famous Ada Willing, early this morning knocked out F. Cadwallader Dade, who recently became the husband of Miss Frances R. Pemberton.

Three-ounce gloves were used, and twenty-five rounds were fought before Willing landed his knockout blow. This American code duel started in a small dispute which grew rapidly. A short time ago friends prevented a street fight and arranged the ring fight. "Beef" Wheeler, the noted Princeton football player, acted as timekeeper, and John Longacre, member of two winning Yale crews, was referee.

## NOMINEE WAS ABSENT

**ANTI-HARMONY TICKET  
MADE UP BY BIRBE**

**WILLIAM HENRY TELLS WHAT HE THINKS OF THE LATEST EFFORT FOR PEACE IN THE SEVENTH.**

The reported meeting of the anti-harmony Republicans in the Seventh Precinct, when followed up assumes a character not calculated to endanger harmony in that precinct to any great degree. William Henry, when asked about the meeting that put him and others up for delegates against the "harmony" nominees, said that he had not attended the meeting and did not think it amounted to much. He said he was a candidate on the harmony ticket and had not authorized his name to be put up on any other. Speaking of the alleged anti-harmony meeting, Mr. Henry said: "I think it came about through the activity of Birbe and a few others who claim that Birbe was not recognized by the chair properly at the precinct meeting last Friday night. I do not think it amounts to much, but I suppose every man has a right to do as he pleases in politics. I was nominated on the harmony ticket and will run on the harmony ticket."

The resolution drawn up by Birbe is as follows:

"Whereas, at a regular meeting called by the Republican Territorial Central Committee for the 7th Precinct, 5th District, for the purpose of making nominations for delegates to be elected to the Territorial Convention and to the Fifth District Committee, a number of legally enrolled Republicans were deprived of their right under the constitution and laws to make nominations by the ruling of the President of said Precinct Club, Henry C. Vida, and whereas, the ruling of said President was in direct conflict with the call of the Central Committee and the rules of the Republican party, and was a disfranchisement of the legally enrolled members of the organization; and whereas, said president and judges of election have openly stated that they will not permit other names other than those of the so-called harmony delegation to be voted for at the primaries of the 7th Precinct of the 5th District, regularly called for Saturday, August 6th, 1904.

"Now, therefore, we, regularly enrolled Republicans of the 7th Precinct of the 5th District, protest against the arbitrary and unlawful action of the said officers and protest that the same is in direct conflict with the rules of the Republican Party and fair play, and urge the Republican voters of the 5th District to vote for the following delegates legally and rightfully named on said Friday, July 22nd, 1904, in meeting of enrolled Republican voters regularly convened and presided over by Henry C. Birbe, Jr., to wit:

"For Territorial Convention—Henry C. Birbe, Jr., Wm. Olepan, Joe. Kalana, Louis Touissant, J. L. Carter, Wm. Kaka.

"And for candidates to the District Committee, as follows—Thomas Mokuahua, William Henry, Henry Cockett, I. H. Sherwood, Ed. Koloha, J. M. Keanu, Jos. A. Apo, H. K. Alapai, Isaac Ihiki, C. H. Brown, Dan Kamahu, Albert McGura."

Two other resolutions were adopted as follows:

"Resolved, that the meeting do heartily endorse the administration of Governor Carter and Secretary of the Territory A. L. C. Atkinson."

"Resolved, that it be the sense of this meeting that our delegates to the Territorial Convention be and hereby are instructed to vote for Prince Kuhio Kalaniana'ole for Delegate to Congress."

### THE OLDEST LEGISLATOR.

Ottawa, July 2.—Senator Wark is the oldest legislator in all the world. He was born near Londonderry, in Ireland, in February 1804, emigrated to New Brunswick in 1824 and entered the Assembly there in 1825. Since then he has been engaged in the making and unmaking of laws, having never once changed his occupation. He did not desire to miss even the present session of the Dominion Senate, in which he has been since confederation, and the Government sent a private car down to his home to transfer him to Ottawa. Then this centenarian legislator came up, had his photograph taken, sat for a painting and deservedly received the congratulations of an assembled Parliament.

A man who has lived so long must have taken great trouble to keep his health and mind in good condition—he is a noble example. But it shows that when a member of Parliament complains that he cannot endure the stress of lawmaking it is time to take a pinch of salt.
